

YOU ARE INVITED

TO THE LAUNCH OF

a new era in micromobility

27 MARCH 10.30 - 11.30AM
NTRO, 80 TURNER ST, PORT MELBOURNE

OneDock

by

microFleet

The first universal locking, charging, tracking and sharing system for all electric bikes and scooters.

Be the first to see OneDock in action and discover how smart micromobility fleets can benefit your business.

RSVP

A white and pink microFleet charging station is shown on the left, with a black electric bike docked in it. The bike's front wheel and handlebars are visible. The background is dark blue with a network of glowing blue dots and lines on the right side.
